

Kinhi Flanges-Supply Capability

Flanges we are able to supply as follows,

Types of Flanges Available:

- 1.Pipeline flanges (Weld neck, Slip-On, Threaded, Blind, Socket weld, Lap-Joint) to US, British, Japanese and European Standards
- 2.Orifice flanges and Orifice plate
- 3.Long weld neck flanges
- 4.Spectacle blinds
- 5.Tube sheets and baffle plates
- 6.Large diameter flanges
- 7.Reducing flanges
- 8.Wind tower flanges
- 9.Other special flanges

Types of Flange Faces:

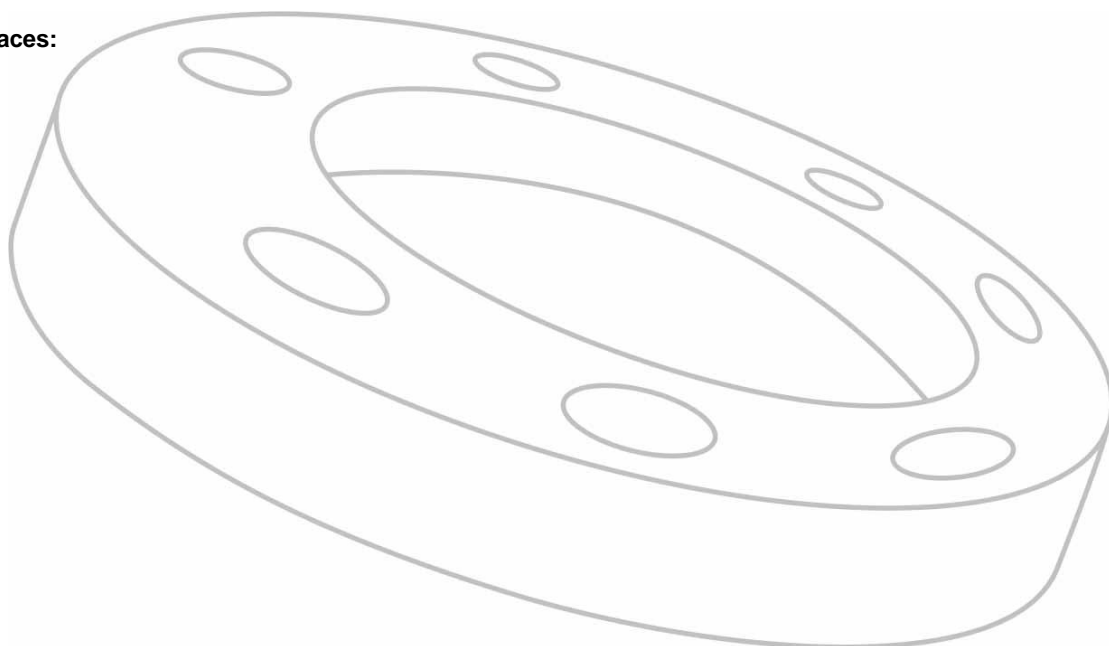

- 1.Raised Face
- 2.Flat-Face
- 3.Ring Joint
- 4.Tongue&Groove
- 5.Male&Female

Sizes:

1/2" Thru 200"

Pressure:

150lbs Thru 5000lbs

Kinhi Flanges-Supply Capability

Materials and Grade

- Carbon steels: ASTM A105 (N), A350 LF2, LF3, A694, A36 etc. / The equivalent acc. to DIN, BS, JIS ETC.
- Stainless steels: ASTM A182 F304/L, F316/L, F316Ti, F310,F317, F347, F321, F44 etc. / The equivalent acc. to DIN, BS, JIS ETC.
- Alloy steels: ASTM A182 F1, F5/A, F6, F7, F9, F11, F12, F22, F51, F55 etc. / The equivalent acc. to DIN, BS, JIS ETC.

Standards Available

We can manufacture and supply flanges as per below standards.

- A. America standard: ANSI B16.5/API605, 6A, 6B/MSS SP44/AWWA C207
- B. Germany standard: DIN2527/2528/2561/2565/2566/2573/2576/2627-2630/2641/2642/2655/2656/2673/86029/86030
- C. British standard: BS 4504 PN16/PN25/PN40, BS10 TABLE E/TABLE D
- D. Japan standard: JIS/KS 5K, 10K, 16K, 20K, 30K
